PAYNW

Fast, Easy, and Accurate Payroll

Payroll data is at the heart of the employee record. Enjoy the confidence of knowing that your payroll data is accurate, available but tightly controlled and never out of sync with other parts of the employee record.

A platform designed for complex payrolls and everyone who has to manage them. Our highly capable accrual, tax, cost center and reporting engines enable a high level of precision, performance and reliability. Automatic notifications alert you of important events and remind you of upcoming critical tasks. And, your data is never held captive: your data and report are exportable into common formats, such as Excel, Word, PDF and HTML.
